

Answer to Reviewers' comments, for JOURNAL TITLE titled:
“*MANUSCRIPT TITLE*”

Paris, September 18, 2020

Dear Editors and Reviewers,

We thank you for the time spent in the submission process, as well as for your precious and insightful suggestions. Based on the Reviewers' feedback, we implemented some changes to the manuscript, which we now believe to fully address the minor revisions required.

In particular, our major modifications are summarized in the following list:

- These
- Those
- That one in particular.

The remainder of this document contains all the Reviewers' questions (*in italic*) as well as our replies (in plain text), in which we detail the corresponding modifications to the manuscript.

Thanks in advance for your consideration and best regards,
Author1 on behalf of all coauthors.
